

Quality Policy Statement

- To maintain Quality Management System at or above customer requirements (AS9100, RR SABRe & NADCAP).
- To be an open, ethical and transparent organisation.
- To improve and maintain standards, through people, teamwork and continuous improvement.
- To promote a just and open culture in which staff are encouraged to report Quality concerns
- Quality is everybody's responsibility and everybody has the right to stop and escalate if concerned about the quality of the products
- To continually monitor and improve key processes in order to promote the Drive for Zero Defects approach
- Develop and implement new processes and systems to ensure sustained capability and support of customer growth
- Actively engage with customers and suppliers to promote effective working relationships

John Kilgallon
General Manager
